BECAUSE YOU GAVE

We haven't met inside the school since March, yet we saw our largest average weekly worship attendance ever with expanded online worship opportunities that broke geographical boundaries and expanded our church.

We were able to find new and innovative ways to partner with families of arKids and arStudents through events like outdoor gatherings, CARnival, drive through events and movie nights.

We met, AND EXCEEDED, all of our building goals! We established a reserve fund of more than \$100k, we worked with our architects to develop the site plan and building lay-out, we did the formal land survey, the civil engineers completed the initial phase of schematic designs, and in February of 2021 we will make the final payment on our land loan making our church DEBT FREE and ready to break ground this year!

WE NEED GOD. WE NEED EACH OTHER. SUMMERVILLE NEEDS US.
