### Building Update #105

October 17, 2023

Financial Report:	Goal	Received	Needed	% Goal
1) Operating Budget - Received (YTD)	\$699,100	\$684,298	\$14,802	97.9%
2) Comp Countdown - Total Giving (YTD)	\$852,388	\$738,946	\$113,412	86.7%

**Project Notes:** Ok, Ashley Ridge Church “fam,” we are only \$14,802 away from hitting our Operating Budget for 2023 which is fantastic as once we do, we will be able to throw all the giving for the remainder of the year toward the building project! Also, we have the **Family Meetings** starting this Sunday, Oct. 22<sup>nd</sup> where you will be able to hear & see the latest updates on the building project & timeline for completion. We have made **A LOT** of progress the past two weeks in that we have received Design Development (DD) docs from *Equip Studio* for the redesign and should receive the civil docs early this week.
