**2023 Reflections:** 2023 was an incredible year at *Ashley Ridge Church*, and its ministries hit new levels of growth, outreach & service to our Summerville community! The Building Project is secondary to these incredible ministries which do so much for so many, and this is as it should be. Pastor Jenn will tell you I can get tunnel vision at times thinking about the mission & accomplishing the mission. As the Building Project Leader since late 2019, it's true! I have been focused like a laser beam on building a new permanent homebase. We all have a part to play in completing this valuable task and am personally thankful for my roll & your support over the past year to this worthy endeavor! ***May 2024 be the best year, yet!!!***
